FL82 AWARDED MERITORIOUS FLOTILLA AWARD 2009

Last year marked the 70-year anniversary of the Coast Guard Auxiliary and Division 8 contains some of the oldest Flotillas in the Country. Now is the best time to start researching the history of your Flotilla and our own Jake Lincoln can help. As our District Historian, Jake has a wealth of information on the history of every Flotilla in Division 8. Knowing your unit's history brings pride and a unique perspective to an Auxiliarist's membership. It is also a great news story for your local newspapers which can promote your work and attract new members.
