Welcome aboard the "recommissioning" of MARINER, the official newsletter of Division 8 5NR.

A successful Division newsletter is not limited to our Flotilla Publications Staff Officers. This "Successful Division Newsletter" is built from the articles and photographs submitted by the members of Division 8. Members at every level are achieving great things and are engaged in numerous wonderful projects that bring credit to their flotillas and our division. Articles and photographs in MARINER should tell your stories and applaud your efforts. Get out those cameras and start writing.

So, read and enjoy MARINER, and pass it along to a prospective member. Then, tell them why you chose to join the world's best volunteer organization.
