MARINER

USCG AUXILIARY
FIFTH NORTHERN

WINTER 2011 VOLUME 12
NUMBER 1

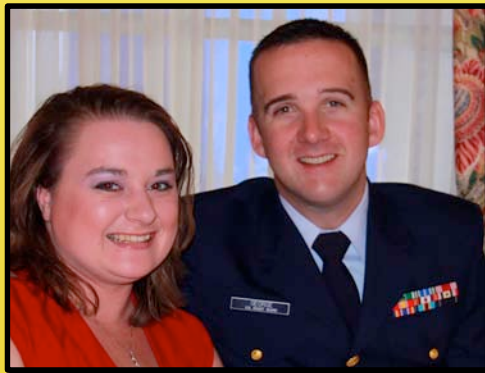

Welcome Aboard elected and appointed officers for 2011!

The Change of Watch is a venue of fellowship in celebrating the accomplishments of the past year and to swear in new leaders.

What seems commonplace to you today will be a treasured history in a few years. Consider starting a History ScrapBook starting with your program and photos from your Flotilla's change of watch. Each month, you can add to your book, so that at the end of the year you have a treasury of memories of the year. How about each flotilla designate an official historian to collect and categorize these materials.

For more ideas on effective stewardship of flotilla history resources, contact our own Jake Lincoln who serves as the District's Historian.
